**SURCHARGES**

There will be a 50% surcharge for all window treatments made of sheer fabrics except unlined sheer draperies. This is necessitated by the fact that additional liners and special care have to be used in the manufacture of products when a sheer fabric is used. This surcharge will be added to such treatments as swags, Kingston valances, cornices, etc. Whenever possible, please specify type of fabrics to be used, along with any pattern repeats when requesting a quote. Unless specified, fabric yardage and labor will be quoted with no pattern repeats.

Other surcharges are as follows:

- Plaid fabrics: Add 15%
- Striped fabrics: Add 10%
- Upholstery weight fabrics used for soft treatments: Add 20%
- Interlining will be quoted on request.

These charges will be added to your quotes if we are made aware of them prior to quoting the job. Please feel free to call with any questions.
